Chateaugay Wind Community Meeting

DATE: Thursday, December 8th
TIMES: 1-3 pm and 5-7 pm*
LOCATION: American Legion
80 West Main Street, Chateaugay NY 12920

* The same information will be provided at both sessions.

Please join us for a community meeting for Chateaugay Wind, a 107 MW wind park planned to be repowered by AES. We look forward to meeting with the community to discuss the repowering, the transition of ownership to AES, and to answering questions about this development.

The community meeting will be an open format: project information will be displayed on boards throughout the room, with AES representatives available at each station to answer questions. Light refreshments will be provided.

In the event of inclement weather or rising Covid-19 rates, the meeting will be held virtually. We will post all changes and updates to the Chateaugay Wind website at least 24 hours in advance.

RSVP: Please RSVP by phone, email or on the project website (www.aes.com/chateaugay-wind) so we can get an accurate headcount of attendees. Registration is requested, but not required.

292 Madison Avenue
15th Floor
New York, NY 10017
