# Clinton & Ellenburg Wind Community Meeting

**DATE:** Tuesday, December 6th

**TIME:** 1-3 pm and 5-7 pm\*

**LOCATION:** Rainbow Wedding & Banquet Hall (White Room)\*\*  
47 Woods Falls Road, Altona, NY 12910

\*The same information will be provided at both sessions.

\*\*To get to the White Room, please drive over the covered bridge and park in the back

Please join us for a joint community meeting for the Clinton and Ellenburg wind parks, which are planned to be repowered by AES. We look forward to meeting with the community to discuss the repower, the transition of ownership to AES, and to answering questions about this development.

The community meeting will be an open format: project information will be displayed on boards throughout the room, with AES representatives available at each station to answer questions. Light refreshments will be provided.

**In the event of inclement weather or rising Covid-19 rates, the meeting will be held virtually. We will post all changes and updates to the project websites at least 24 hours in advance.**

**RSVP:** Please RSVP by phone, email or on either of the project websites so we can get an accurate headcount of attendees. Registration is requested, but not required.
