

CAYUGA SOLAR PROJECT

Community Meeting

DATE: Wednesday, October 2, 2024
TIME: 5:00 to 7:00 p.m.
LOCATION: Lansing Community Center (25 Auburn Road Lansing, NY 14882)
RSVP: Requested, not required. Contact cayugasolar@aes.com

Please join AES for a Community Meeting regarding the Cayuga Solar Project, a 60 MW solar energy generation facility. All community members and other stakeholders are invited to drop in between 5:00-7:00 PM. Light refreshments will be provided. The Cayuga Solar Project (the Project) is located in the Town of Lansing, Tompkins County, New York.

At the Community Meeting, informational display boards will be set up around the room. There will not be a formal presentation. Project representatives, including Development and Permitting team members, will be available to provide information and answer questions about the Project and the Article VIII (formerly Section 94-c) permitting process. Local participation and input are encouraged.

AES will provide information on

- the future application date and process for the Siting Permit for the Project,
- the availability of local agency account funding to community groups, including how and when to access available funding.

If you have any accessibility needs (ex. ASL interpretation) please email cayugasolar@aes.com by September 25th. We may not be able to accommodate every request after that time.

For further information, please visit the project website:
