Re: July update for Moraine Solar

Moraine Solar Update

On July 1, 2026, the Office of Renewable Energy Siting issued the Full Notice to Proceed for Moraine Solar. The official notice can be found on the Moraine DMM page [here](#).

Full mobilization of construction activities is expected to begin the week of July 6th.

AES remains committed to keeping the community informed as the project moves forward. Project information and updates will continue to be shared through the project webpage and other stakeholder communications as appropriate.

If anyone has questions, comments, or feedback about Moraine Solar, they are welcome to contact the project team through the project webpage, email, or phone.
