

July 22, 2026

AES Indiana is writing to provide road closure notice due to upcoming site activities associated with the Crossvine project.

To ensure the safety of the public during construction activities, **S 500 W Road will be closed from July 27 through August 8** while crews complete a long bore installation in the county-right-of-way. The closure is necessary to keep the public away from open bore pits and active construction equipment working in the county right-of-way.

## **Road Closure Notice**

**Dates of Closure:** July 27 – August 8, 2026

**Location:** S 500W Road, between W 900 S and W 750 S

**Local resident access will be maintained, but the road will otherwise be closed to through traffic.**

We appreciate your patience and understanding as this work is completed safely. If construction activities are completed ahead of schedule, the road will reopen as soon as it is safe to do so.

Sincerely,

AES Indiana
